Clearwater R-1 Summer School 2017 Enrollment Form and Information

Clearwater R-1 Summer School 2017

Clearwater R-1 School is offering a summer school program packed full of fun, engaging classes for students entering Kindergarten through 9th grade in the 2017-2018 school year. Teachers will present reading, math, writing, science, and social studies through a variety of hands-on activities. The summer session will be held from May 24th-June 21st on the elementary campus.

Breakfast/Lunch: All students will be offered free breakfast and lunch daily. Breakfast will be served starting at 7:30.

Transportation: Abbreviated bus routes have been developed for the summer session (see attachment). Parents, regardless where they live, may drop off and supervise their child until the bus arrives at any of the stops noted on the attached bus schedule or they may drop off/pick up at the school. Parent drop off and pick-up will remain in the back of the elementary.

Incentives: Student attendance will be encouraged through the offering of incentives. Incentives will be awarded as follows:

- Perfect attendance (no minutes and/or hours missed) - \$100
- Absent no more than 1 day (6.5 hours total) - \$75
- Absent no more than 2 days (13 hours total) - \$50

Mandatory Attendance: Students required to attend summer school due to poor attendance and/or failing grades must meet the following requirements in order to receive credit for summer school courses:

- Satisfactorily complete all work
- Miss no more than two days throughout the summer session

Students that are required to attend summer school are not eligible for attendance incentives.

Eligibility: Students entering Kindergarten through 9th grade in the 2017-2018 school year are eligible to attend. Residency restrictions do not apply to the summer school program; however, transportation is the responsibility of the parent.

Field Trips/End of Summer School Trip: A field trip will be planned for the last day of summer school for students entering 4th-9th grade. Younger students will remain on campus and participate in various fun-filled activities. 4th-9th grade students that do not have 100% attendance may be asked to pay a portion of their admission fee for the event chosen at the end of summer school trip. (Details will be provided as soon as plans have been confirmed.)

Enrollment: If you are interested in having your child attend summer school, complete the attached enrollment form and return it to either the elementary or middle school office. Please return the completed form as soon as possible. Class offerings are dependent upon student enrollment/attendance. Names of students that turn in completed forms to either office by 3:00 on May 10, 2017, will be entered into a prize drawing. One name will be drawn for a \$25 Dollar General gift card on June 2, 2017. The student must be present to win.

PAINT PARTY

Teachers: Mrs. Yates

Grades: Incoming Kindergarten

Wear old clothes for we'll be painting every day! We will learn our numbers and letters, fun and fast. Crafts with our hands and crafts with our feet. Crafts so neat they can't be beat. So come to my class for summer fun. And to cool us down from the summer heat we'll have ice cream or cupcakes to decorate on Fridays... oh how sweet. So come learn with me, we'll have so much fun! And your parents won't mind when you're all done! They'll be so proud of all you know! They won't mind at all if you go.

ARTWORKS

Teachers: Mr. Moss

Grades: Incoming Kindergarten

Let's use art to bring science, math, and language alive in a hands-on way! We will use art work to learn the basic ABC's and 123's! We will explore artwork, and even create our own!

CHOCOLATE

Teachers: Mrs. Baker

Grades: 1st

If you love chocolate, then this is the class for you! Students will learn math, reading, science and social studies in a chocolate loving way! And of course eat a little chocolate as well!!

DANCING IN THE RAIN

Teachers: Mrs. Visnovske

Grades: 1st

Come and dance in the rain! Students will use different types of dancing while learning math, reading, science, and social studies. We will study rain and lightning. Students will even make our own umbrellas and create all kinds of stormy artwork.

SCIENCE EXTRAVAGANZA

Teachers: Mrs. Robinson

Grades: 1-2

Do you like exploring Science? We will zoom through space, swim through the ocean, and crawl with insects. So if you enjoy discovering new things, then this is the class for you!

HAPPY TAILS AND TRAILS

Teacher: Mrs. Radford

Grades: 2-3

Do you love animals? Do you want to learn more about the care of animals using math and reading? Well, this class is just for you! We will be reading Because of Winn Dixie along with many other books. Students will also do various activities that go along with the books.

GETTING ACTIVE

Teachers: Mrs. Adams

Grades: 2-4

Do you enjoy being active... getting outside & playing games... Making things with your own hands... Or have you ever imagined yourself in a pod race... like young Luke Skywalker... This is the class for you! We will let our imaginations explore the universe! To infinity and beyond!

MATH AND SCIENCE EXPLORATION

Teachers: Mrs. Amerlan

Grades: 3-5

Come and explore Math & Science through everyday tasks. We will learn grams, kilograms, liters, milliliters, pounds, and ounces while making rice Krispy treats, no bake cookies, brownies, etc. Science exploration will include experiments with Mentos and Cola (What makes it explode?), bar soap and water (Why will some soaps float while others sink?), and frozen versus fresh foods (What are the additives and the taste difference, if any?).

RAINFOREST ADVENTURE

Teachers: Mr. McAlister

Grades: 4-6

Let's explore the rainforest together! We will learn about many animals, creatures, and critters that fill the rainforest. Discover what not only the animals, but what the forest does for our planet!

NUMBER THE STARS

Teachers: Mrs. Keller

Grades: 5-6

Come "Number the Stars" to learn about WWII, when Germany was occupied by Nazi Germany. This will be an adventure to Germany during WWII. You will learn the act of bravery, and the importance of treating other's the same. Students will learn web quests, astronomy, along with team building and outdoor activities.

COME BUILD WITH ME

Teachers: Mr. Briley

Grade: 7-9

Using computers and other equipment students will create some amazing things! Let's use our skills to make bridges and much more!

GOOGLE TIME

Teachers: Mrs. Roach

Grades: 7-9

Welcome to our 2017 Summer School Google Classroom! Join us as we use a chrome book to explore how ELA, Math, Social Studies, and Science are important and used in our everyday lives. The opportunities are endless when using a chrome book and google classroom! Come practice using google docs, google sheets, google slides and numerous other fun apps in this course. We will also learn about internet safety through Common Sense Media. Our main goal will be to have fun while using technology to enhance our summer school education!
